About Freshfields Bruckhaus Deringer

Firm Description

Freshfields Bruckhaus Deringer LLP is a leading law firm, combining a first-class European offering with a strong global network.

Our Regulatory and Public Affairs teams, based in Brussels and Berlin, work with lawyers across our global network to advise clients on strategic policy issues arising from EU and national legislative developments and in the framework of competition and trade proceedings, with a focus on sensitive legal transactions and in-depth merger investigations.

On a daily basis, we help clients:

- Identify the risks and opportunities of policy developments and gain an insight into the decision-makers and political drivers behind such developments;
- Access the information necessary to properly assess these risks and opportunities, including from both public and informal sources, as well as individual requests in the spirit of transparency;
- Influence the policy debate and the substance of upcoming rules;
- Build an effective profile towards decision-makers in Brussels, Berlin and beyond;
- Devise engagement strategies in the context of politicised competition and trade proceedings, in alignment with the legal strategies;
- Understand relevant policy developments that could impact business decisions regarding potential investments or acquisitions; and
- Analyse the intention behind legislative provisions, particularly in the context of legal advice or litigation.
