About FIPRA

Firm Description

FIPRA International is an independent European and international public affairs consultancy based in Brussels.

Ownership Structure

Independent – owned by management.

International Structure

The FIPRA Network is a global network of independent, owner-operated consultancies providing high-level expert advice on public affairs, regulatory consulting & government relations. It offers clients access to a one-stop-shop for their policy and regulatory affairs, combining global reach with local in-market expertise. Our Network is present in more than 50 countries.

Key Strengths

As experts in political and regulatory processes, we advise leading businesses and organisations on how to navigate complex policy landscapes and address regulatory challenges. We do this by creating a competitive advantage through sustainable policy change at the intersection of public and private interests.

We also coordinate the wider FIPRA network together with our partners. Our network offers clients unrivalled access to bespoke, highly-specialised strategic counsel in all EU and EEA Member States in Europe, as well as elsewhere internationally, bringing together global reach with local, in-market expertise. With 50 outstanding, dedicated professionals in our Brussels and London offices, we combine in-depth regulatory expertise and high-level political insight which helps our clients achieve meaningful and measurable outcomes.

At the heart of our collective approach to public affairs and government relations lies

a determination to seek the common ground between our clients' objectives and the wider public interest. We support clients approach policymaking from an evidence-based perspective.

Since our foundation in 2000, FIPRA International has advised a wide range of clients in a host of sectors, including banking & financial services, chemicals, industrials & mining, competition & antitrust, digital & tech, energy & environment, food & drink, healthcare & life sciences, transport, travel & logistics, international trade and, more recently, Brexit-related issues.

Key Clients

FIPRA is registered with the EU Register of Interest Representatives / EU Transparency Register. Further information on FIPRA's clients may be found on the EU Register website

Thought Leadership

Members of FIPRA's senior management team, led by Robert Madelin (Chairman) regularly contribute to EU public policy debates, conferences and events, and publications, in addition to advising clients on their strategic positioning.

FIPRA

Professional Public Affairs in more than 50 countries

As experts in political and regulatory processes, we advise leading businesses and organisations on how to navigate complex policy landscapes and address regulatory challenges. We do this by creating a competitive advantage through sustainable policy change at the intersection of public and private interests.

We are high-level

Individually, each of our business practices are leaders in their specific policy areas. Together with our range of expert Special Advisors, all our specialists teams are recognised for the depth of their knowledge and a track record of delivering enduring results.

We are connected

We have operated at the forefront of strategic EU and international public affairs for the past twenty years, combining deep issue-centric expertise with innovative thinking. We have a strong track record in delivering agile public affairs.

We deliver tangible impact

We have a history of building lasting relationships with our clients. Understanding their operating environment allows us to deliver meaningful, measurable outcomes with a tangible impact on their business and the wider community.

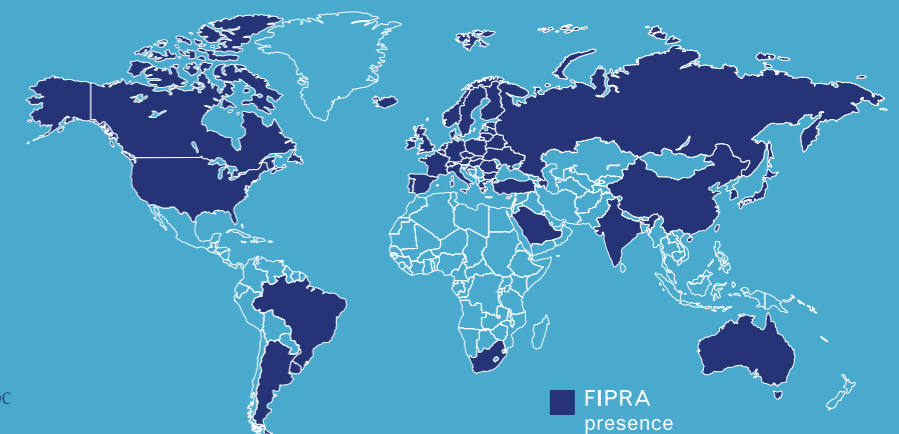

We find the common ground between public & private interest

We believe that business, civil society and policy-makers should work hand-in-hand to generate long-lasting, inclusive outcomes.
