About Eupportunity

Firm Description

We are a versatile and multidisciplinary 9-people team with extensive experience in Brussels, composed of former European Parliament, Commission and Council advisers; C-level staff of EU Associations/ Agencies; Representatives of public sector, both at Government and local levels; and private sector, e.g. law firms, business consultancies and corporate communications. We define tailor-made strategies for our clients, which are boosted by an exhaustive and internally developed monitoring system of all EU-related initiatives. And above all we make sure your interests are presented having in regard EU policies and priorities.

Ownership Structure

Independent firm co-founded and owned by former MEP, Luís Queiró, and Journalist and Political Adviser, Henrique Burnay.

International Structure

The partnerships built throughout these 11 years are our most valuable asset and one that we nurture on a daily basis. We would highlight the ones with the Portuguese Catholic University, Kent University, Porto Business School, Nextlaw, Portugal Network, and the on-going participation in international EU projects: ALBATTs and DRIVES (Erasmus +) and Bundle-Up (Horizon 2020). Furthermore, we are founding members of The Brussels Group, a network of independent public affairs companies with a strong expertise at both European and national levels.

Key Strengths

By partnering with us, our clients learn how to tell their story in an effective way. Firstly, we know Brussels' fast-paced landscape and institutional specificities, thus we identify the right interlocutors across a wide range of sectors. Secondly, we help them to bring added value to policy-makers, to question themselves "in what way can I be useful?, how do we match

with European policies?" instead of simply asking "what can the EU do for me?". Hence, we advise them on how to collect and present data on the right timing, while bringing the right mix of enthusiasm, experience and perseverance.

Thought Leadership

We established long-standing collaborations with private and public sector entities to organize iconic events in Brussels, such as the Innovation Sessions that, once per year, together with the Portuguese Trade and Investment Agency and other partners, show cases sectorial best practices (e.g., Aeronautics & Space, Health Care), or Portugal Network, that, since 2009, brings together, twice per year, +100 Portuguese working at the 'Brussels bubble'. We also have informal partnerships with Universities with whom we organize Intensive EU Affairs Seminars.
