About LP Brussels**Firm Description**

Hague Corporate Affairs (Hague) is a public affairs and strategic communication agency founded in 2015 and headquartered in The Hague. Our other offices are located in Amsterdam, Brussels and Paris. Hague breathes and lives with an international team of seasoned advisors and former Dutch policymakers and corporate executives. We integrate strategic advice, public affairs and corporate communications. We like a real challenge: We help our clients anticipate developments from the regulatory framework and from society. Hague has a solid track-record of successful advocacy and lobbying campaigns in the fields of bio-based and circular economy, sustainable energy, precision farming, life-science and health, and sustainable food. Unlike many agencies, we seek to be measured and evaluated on the basis of our clients' output and success. Hague has a strong reputation and network with European institutions and is equipped to translate risks stemming from legislative developments into opportunities for its clients. Also, Hague supports clients in getting the support they need for Research & Innovation (R&I). We advise them on EU funding opportunities and shape calls for proposal in line with their R&I priorities. Hague also participates in EU funded projects to anticipate R&I needs to address global challenges and making policy recommendations for new products. At present, Hague leads the public affairs and communication work packages of two EU funded projects.
