About Bernstein Group

Firm Description

The Bernstein Group consists of multiple partner-managed consulting companies that specialise in communications services for exceptional circumstances, change and transformation processes, complex political decision-making processes and regulatory issues. We provide individual and bespoke solutions, delivering impact across local, regional, national and European levels from our offices in Berlin, Frankfurt and Brussels.

Ownership Structure

Partnership.

International Structure

We maintain privileged partnerships with likeminded consultancies in the Nordics, the UK, the Netherlands, France, Italy and Spain to provide national leverage in Brussels.

Key Strengths

We work together to advise our clients on even the most specific issues in the field of communications and public policy. We rely on expertise, integrity, and experience rather than size. Our team provides excellent strategic consulting and execution skills.

We advise national and international companies, investors, start-ups, and institutions on how to deal with the media and politics, working for our clients in an environment of dynamic processes, divergent interests, and complex issues every day.

We bring high levels of personal commitment to our work and operate in close partnership with our clients, in order to support and guide them through complex decision-making and communication processes. Our strategic advice is based on experience, expertise and on the trust that we have earned from longtime clients and their respective internal and external stakeholders.

With our intimate knowledge of politics, business, and the media, we perform the role of translators between these systems. We understand the power of presenting the stronger argument.

A full-page background image of a rugged mountain landscape. The scene features steep, rocky slopes with patches of green and yellow vegetation. A winding road or path is visible, snaking across the mountain's face. In the upper right, a small, light-colored building is perched on a rocky outcrop. The sky is overcast and grey.
