## About Dr2 Consultants

### Firm Description

Dr2 Consultants is a well-established consultancy firm located at the heart of Brussels' European Quarter. Our focus areas are transport & energy, sustainability and digital & tech. Over the past decade, Dr2 Consultants has grown into a renowned EU and Belgian Public Affairs consultancy with focus on transport, energy and sustainability and digital-tech. With over 20 international consultants, Dr2 Consultants' dedicated services include EU and Belgian Public Affairs, the European Green Deal Impact Scan, Fit for 55 services and the Dr2 Academy, a training institute for Public Affairs. Dr2 Consultants is proud to being nominated for the prestigious Trends Gazellen Award 2022.

### International Structure

Offices in Brussels, The Hague, Copenhagen, New York City and Shanghai.

### Key Strengths

We, at Dr2 Consultants, believe that our people are our biggest strength. An international team of 20+ Public Affairs professionals with diverse backgrounds and interests delivers tailor-made services to our clients with the highest standards of quality. Dr2 Consultants' core competency is to connect businesses with the EU. We pay great attention to understanding how organizations work and daily operations unfold, thereby establishing the right link with the most effective Public Affairs approach. By doing so, we empower our clients so they can be successful in influencing EU policymaking. With focus on digitalization, transport and sustainability – the key priorities of the EU – Dr2 Consultants addresses policy areas that bring benefits to society at large and invest in future generations.
