Key Strengths

Our strength lies in our independence, our people and our commitment to going the extra mile for our clients.

We know our way around EU affairs. And we have deep expertise in highly regulated sectors including financial services, agri-food, energy, environment and transport, as well as in the growing field of international trade.

In addition, our multilingual and multicultural Brussels team is bolstered by a panel

of senior advisers comprising former European Commission officials, MEPs, trade negotiators, government ministers, journalists and industry sector experts.

It's important to us to develop strong working relationships with our clients, built on a track record of trust, integrity and results, which explains why so many stay with us for so long.
