About Forward

Firm Description

Forward Global is an international risk-management group with about €80 million in sales and 350 staff members. We specialise in impact-oriented Public Affairs, Communication Campaigns, Due Diligence and Cybersecurity Services (strategic, operational, forensic and due diligence). Forward Global delivers board-level solutions for sensitive matters as well as on-the-ground support for effective advocacy and regulatory matters.

The company supports large corporations, institutions, associations, and governments in times of crisis (including international negotiations, cyberattacks and litigation), in their strategic positioning (such as nation branding, image management for CEOs and key company leaders as well as political brand building) and during periods of growth and development (M&A and market expansion).
