FiscalNote EU Issue Tracker

Monitor the EU Policy Landscape with EU Issue Tracker

EU Issue Tracker's team of Brussels-based policy analysts help you not only monitor, but act on changes in EU policy. We capture the latest developments and future timelines of all EU dossiers and monitor, catalogue, and assess their implications.

Acting as a force multiplier, EU Issue Tracker takes a systematic approach to policy intelligence and analysis. By removing the manual work typically involved in policy monitoring, EU Issue Tracker saves you time and puts the information that matters in front of you with a comprehensive solution that includes:

Collation:
We combine human intelligence and technology to help you identify risks and opportunities stemming from EU policy initiatives..

Customisation:
You control what is put in front of you by selecting specific dossiers of interest, and we'll send you timely alerts on procedural developments.

Expert Analysis:
Our dedicated team of 20+ analysts deliver concise, information-rich summaries, with direct lines for any support you need.

Our Approach:

✅ We combine human intelligence and technology to help you navigate EU policy at an institutional level — including legislative and non-legislative files, secondary legislation, and possible future regulatory measures.

✅ Our policy radar identifies future regulatory risks and policy initiatives before they become formal proposals. Early monitoring enables you to mitigate exposure to new and peripheral policy concerns.

✅ Identify new developments coming out of the Commission, Council, Parliament, and other EU agencies. Detailed timelines lay out each dossier's procedure step-by-step, with an additional layer of human analysis to help you make sense of it all.

✅ Clear, concise updates are sent to you directly, keeping you informed on any developments you need to be made aware of — without cluttering your inbox. Any time you see an e-mail from EUIT, you know it is important.

✅ Access to our policy analysts and account management team ensures you are continually supported and set up for success.

FiscalNote

FiscalNote

Access your workspaces on the fly with FiscalNote mobile

Quickly access the information you need — policy data, contact information, meeting notes, and more — with FiscalNote's mobile app. Notes, actions, and additional information can be easily logged through talk-to-text functionality. You'll even be able to seamlessly keep a record of all the folks you're meeting with on the go with our built-in business card scanner.

See how with FiscalNote →

Identify and engage with key stakeholders

Build a network of relationships with access to profiles for over 85,000 global government officials. Our stakeholder profiles include relevant information around each individual helping you better determine how to engage with them. You'll also be able to add your own custom contacts to ensure no data is lost. Take it a step further by recording interactions and engagements in one place — and you have a digitized database of key contacts and recent activity at your fingertips

Proactively mitigate risks and identify opportunities

Staying on top of rapidly developing policy issues is crucial for building an effective global strategy. FiscalNote's proprietary technology indexes a wide range of legislative and regulatory policy developments across several jurisdictions multiple times a day and automatically delivers alerts to users via search queries designed in coordination with our customer success specialists. Never miss an update (even if you missed an email) by reviewing all of your alerts in one place.

Unify all the work being done in centralized workspaces

Align on global issues, increase team efficiency, and share knowledge in centralized workspaces. Create a single repository composed of relevant policy developments, talking points, influential stakeholders, recent engagements, important documents, team notes, and more. Increase connectivity across cross-functional teams, reduce email traffic, and build a database of institutional knowledge — no matter where you are in the world.

Show your team's value and ROI

Visualize policy trends, monitor engagements with influential stakeholders, effectively measure your team's ROI, and share these insights across business units with FiscalNote's advanced reporting capabilities. Get a holistic view of your priority issues and measure your team's effectiveness with the click of a button.
