About Bird & Bird

Firm Description

We are a truly international firm, organised around our clients. With our full service offering and extensive tech expertise, we'll help you unlock the potential of change to realise your ambitions.

Ownership Structure

LLP

International Structure

With more than 1,400 lawyers and legal practitioners across a worldwide network of 31 offices, Bird & Bird delivers expertise across a full range of legal services as well as offering public affairs advice in Brussels and The Hague.

Key Strengths

Our Regulatory & Public Affairs team works in an integrated way with the firm's legal experts to offer clients an efficient, coordinated approach to address evolving legislation and compliance issues. We analyse business sectors, engage with decision makers to convey policy priorities and assess the practical impact of regulatory change on business. Our team also provides cross-jurisdictional mapping of the transposition of new legislation at national level.

Key Clients

Bird & Bird's Public Affairs team advises a range of tech, media and trade clients.
