## About Squire Patton Boggs

### Firm Description

We are a full-service global law firm and public policy powerhouse. We provide insight at the point where law, business and government meet, giving clients a voice and achieving successful outcomes. Our multidisciplinary team of more than 1,500 lawyers and more than 100 policy advisors in over 40 Offices across 4 continents provides unrivalled access to expertise, experience and invaluable connections on the ground. Our Brussels team is situated at the decision-making heart of the European Union (EU), and we have long been at the forefront of advising companies on how best to access the EU market and comply with – and shape – EU law.

### Ownership Structure

Limited Liability Partnership (LLP).

### International Structure

Our global Public Policy Practice is predominantly located in the strategic locations of Brussels, Washington DC, Shanghai and London, supported by a network of over 40 Offices across 4 continents across the globe. Our International Public Policy team has become a trusted advisor to sovereign governments and multinational businesses. In Europe, we have 18 dedicated public policy advisors located across six countries.

### Key Strengths

Our leading European Public Policy Practice draws upon the strength, reputation and resources of a well-connected team of experienced EU legal and policy practitioners to advise clients on the most effective way to engage with EU institutions, policymakers at the national level and international bodies located in the region (e.g. NATO, OECD and WTO).

Our senior public policy advisory team in Europe includes former members of the EU Parliament, former ambassadors, former ministers and members of national parliaments, as well as former private sector executives.

We serve a diverse mix of private and public sector clients, from Fortune 500 corporations to emerging companies, and from non-governmental organisations and trade associations to governments. We relentlessly focus on our clients' interests and excel at managing complex, multifaceted, legal, regulatory and policy issues, or matters with a cross-border component involving the EU and any other country or region (in particular, the US).

We devise and execute legal, policy and communication strategies that ensure our clients' interests are effectively communicated and protected. Our services comprise:

- Forward-looking intelligence and insight
- Monitoring and responding to policy changes and legislative proposals
- Advocacy and engagement with decision makers and stakeholders
- Advising on complex regulatory compliance
- Support in investigations and litigation at the highest levels

### Testimonials and why clients like to work with us

"Our experience has been beyond expectations. SPB Brussels is a super passionate, highly experienced, smart, flexible and strategic team. For me, it is not just the best team in Brussels; it is THE best team I have ever worked with!" Annette Bakker, President, Children's Tumor Foundation
