About Freshfields Bruckhaus Deringer

Firm Description

Freshfields Bruckhaus Deringer LLP is a leading international law firm, combining a strong European offering with a first-class global network.

Our Regulatory and Public Affairs teams, based in Brussels, Berlin and London work with lawyers across our global network. They advise clients on strategic policy issues arising from EU and national legislative developments and in the framework of competition and trade proceedings, with a focus on sensitive legal transactions.

On a daily basis, we help clients:

- Build an effective profile towards decision-makers in Brussels, Berlin, London and beyond;
- Identify the risks and opportunities of policy developments and gain insights into the decisionmakers and political drivers behind them;
- Influence the policy debate and the substance of upcoming rules;
- Navigate and provide advice on understanding and influencing secondary legislation (Level 2) where there is a strong need for combined legal and public affairs expertise;
- Advise on how to comply with the latest requirements of the recently modified EU Transparency Register;
- Devise engagement strategies in the context of competition and trade proceedings, in alignment with the legal strategies;
- Understand relevant policy developments that could impact business decisions regarding potential investments or acquisitions; and
- Analyse the intention behind legislative provisions, particularly in the context of legal advice or litigation.
