Testimonials and why clients like to work with us

"It is a great pleasure to work with the Schuman team. They are very professional, have good knowledge on the big picture and are hands-on in identifying, tracking and pursuing opportunities, ranging from stakeholder mapping to granular funding flows and individual programme initiatives. This enables our country teams to follow-up on business opportunities from these programmes, while contributing to green and digital recovery and growth of Europe." Signify, VP Global Public and Government Affairs

"Schuman Associates has been a long-standing partner to help Philips understand the various EU funds, make realistic assumptions on where we can play, and win. Schuman is currently doing a great job helping us to develop our strategy on how to address the Recovery and Resilience Funds, HERA, EU4Health and others in the coming years. The great thing is that the closer you work with Schuman Associates, the more they become an integral part of your team, and the advice just gets better and better." Philips, Vice President Government and Public Affairs

"At The Adecco Group, we have a longstanding partnership with Schuman Associates. They are providing invaluable support to us, helping us access EU funds in a variety of ways. In addition to that, Schuman also helps us with public affairs. What we appreciate about Schuman is that they show a lot of flexibility towards us as clients. Whenever we may face a limitation, they will do their best to accommodate and ensure that we still have maximum impact on the ground in Brussels. The Schuman consultants are experts in their fields." The Adecco Group, Senior Public Affairs Manager
