About Fourtold

Firm Description

We are an international reputation management and policy advisory consultancy with a campaigning approach.

We are experts in building and establishing trust in the science and technology that can help address the global challenges faced by society and our planet.

Supporting clients around the world from our offices in Brussels and London, we harness our knowledge, experience and connections in some of the most challenging and complex sectors.

Ownership Structure

Private.

International Structure

Brussels, London, plus network of partners.

Key Strengths

We want to make a difference and if we can't, we won't accept the brief. Our client charter and FOUR promise drives how we work and what we do.

- Fresh Thinking – our insight led approach keeps our thinking, ideas and recommendations fresh.
- Open – we are open and transparent, welcoming debate and encouraging constructive challenge.
- Understanding – to become an extension of our client's team we seek to understand people, situations and challenges in the round.
- Results driven – we judge ourselves by the results we deliver, always seeking to exceed expectations.

Our philosophy is built on openness, straight-talking and the power of teamwork. We are obsessed with building a service culture that stretches our team and rewards our clients. This delivers a uniquely close partnership with everyone we work with. Our team and clients receive the very best expertise, from the caring and proactive culture of a purpose driven and highly innovative, entrepreneurial team.

Our approach is integrated, channel agnostic communications and public affairs. We use the power of campaigning techniques to engage the audiences most critical to earning acceptance and building trust for our clients' organisational purpose, its leadership, products and services. We build bespoke, expert teams specific to our clients' needs.

Our campaigning methodology is underpinned with deep expertise in eight key areas:

- Corporate communications and reputation management
- Public affairs, advocacy and government relations
- Insight, planning and strategy
- Sustainability communications
- Media and digital engagement
- Crisis and issues management
- Change management, employee engagement and organisational design
- Executive communications coaching and media training
