Testimonials and why clients like to work with us

"Inline has worked with Skyscanner on a retainer basis since 2017. We rely on them to deliver up-to-date, tailored, and actionable regulatory information; advice on the design and execution of our strategic engagement campaigns; and support to achieve legislative changes to help our business and mitigate regulatory risks. The Inline team is bright, driven, and a pleasure to work with. Their knowledge of our market is such that they have often supported us with technical submissions and policy papers, all of which have been delivered to the highest standard. I would wholeheartedly recommend their work to others." Martin Nolan, Head of Legal, Skyscanner

"We chose Inline Policy, and from the beginning, we knew it was the right choice. At every step, the Inline Policy team has been strategic, knowledgeable, responsive, organized, and hands-on (with everything from big-picture considerations to logistical details). Thanks to their insights and work, we've met with and started relationships with key EU stakeholders, delivered impactful messaging that resonates with those stakeholders, and are effectively navigating EU institutional processes and priorities."
