About Penta (formerly Hume Brophy)

Firm Description

At Penta, we have reimaged communications, reputation management, and brand-building for times of turbulence. Political populism, digitisation and AI, cultural breaks and geopolitical turmoil are the new way of things. We are your indispensable guide to this uncertain world. And we bring you uncommon new tools to our work.

Data is at the heart of our approach. We illustrate what your stakeholders are seeing, thinking, and doing, and help you respond and plan. Our data-driven view on the forces at work helps you act fast, anticipate trends and see what's coming down the path.

Uniquely, we help you understand every individual stakeholder in detail and as components of an integrated, deliberate corporate engagement strategy.

Ownership Structure

In 2023, we combined eight companies into one, global Penta. The group's HQ is in Washington, DC.
