

Sometimes it's good to be a know-it-all

PolicyMate is the **intelligence engine** for public affairs. It gives you **total awareness** of government activity affecting your company or your clients.

No limits. No blind spots. No noise. No language barriers. Just seamless intelligence.

PolicyMate is trusted by public affairs firms, corporate teams, law firms, and investors around the world to **catch what others miss.**

See it in action at policymate.io
